Explanatory Notes — Talking Books

ALL PRICES IN THIS CATALOGUE ARE SUBJECT TO CHANGE WITHOUT NOTICE!

1. The "General Catalog of Talking Books" does not contain either Braille literary or music publications, or other tangible apparatus. **Complete catalogues of Braille publications and Braille music are published under separate cover and may be obtained upon request.**
2. All titles have been classified according to the Dewey-Decimal System as approved by the A.L.A., the main divisions of Non-fiction being rearranged in alphabetical order.
3. Ink-print publishers and copyright dates are given immediately following the author's name.
4. The Talking Book recording date is enclosed in brackets following the date of copyright.
5. Initials enclosed in parentheses indicate by whom the first edition was paid, or the Talking Book master records loaned.
6. Reading grades are indicated by Roman numerals for Grades I-X, or as Adult.
7. All Talking Book records have been recorded at 33-1/3 r.p.m. and are the regulation 12 inches in diameter. Each record plays approximately 19 minutes per side, and is designed to fit the standard Talking Book machine available in the United States.
8. **Talking Book records may neither be borrowed nor exchanged.**
9. The prices listed for Talking Books include records and envelopes only. Additional charges will be made for the special containers or albums necessary to protect the records in shipment. For a complete list of container and album prices see page 29 of 1952 Talking Book Catalog. If not otherwise directed, the least expensive container will be used in shipping all orders.
10. No shipping charges are included in the prices listed in this catalog. When payment accompanies order, always include postage. Any differences between postage sent and the amount actually used will be refunded in stamps, or a bill will be sent for further remittance.
11. **Be sure to indicate whether shipment is to be made by express, freight, or parcel post.**
